

## What's New

### Solar Eclipse, August 21<sup>st</sup>

This August there will be a complete solar Eclipse. There are estimates of up to 50,000 people visiting Wheeler County to view the eclipse due to the sun's trajectory, clear skies and absence of other light during the complete darkness. The City of Spray and Wheeler County are making plans to accommodate the potential influx of visitors. The Spray School District Board is studying the use of the football field and rodeo grounds for camping as well as sponsoring breakfasts and opening the Hut Saturday thru Monday.

## Senior Update...

has hopes of repeating that performance this year
