Justin, Gabe, Zach

### **Recognition of Excellence**

Justin, Carson, Will, Gabe, Josey,

Morgan, Lily, Maria

### **Certificate of Achievement**

Anika, Robbie, Kim, Nikki

### **Highlighting Korea & Mexico...**

Leo is from Bucheon, Korea. He has lived in this large city with his family

since birth. His parents, grandparents and his younger brother live in a high rise apartment. Leo's parents work a great deal and far away from home. His younger years he spent more time being raised by his grandparents. In Korea Leo would be graduating with his friends from middle school this year. He enjoys the neighborliness of the people in Spray. When he graduates from high school he will go into the military and then he would like to go into the food industry as a chef and travel the world.

Vale is from a small town in Mexico. She said it is similar to Spray in that there is not much for teens to do. There are five in her family including her parents she has an older and younger brother. She enjoys hanging out with friends and playing volleyball. She played on a school and club team at home. She played volleyball and basketball this year and looks for track season to begin. She also likes the people and dorm setting in Spray. She plans to finish high school in the U.S. and then go to university in Mexico to earn a business degree.

Leo and Vale enjoy their small school experience. We are thankful to have them with us this year.

### **Senior Update**

Tucker Moyer is one of our four seniors graduating in May. Tucker has been a part of Spray HS since this fall. He has gone to school all of his previous years in Fossil. He has played football for three years. He enjoys

living in Wheeler County for the outdoors and solitude. Tucker enjoys shooting for sport and believes he is pretty handy at fixing things. After graduating he plans on living and working in Wheeler County.

### **Bullying & Harassment...**

Spray Schools prohibits harassment and bullying on or near school grounds, going to or from school, at any school activity, or on school buses or other school transportation. What is considered harassment and bullying?

- Threatening
- Insulting
- Making fun of someone
- Intentionally excluding a certain student or group of students
- Damaging a student's property
- Hurting a student's body
- Causing a student to fear being hurt or embarrassed
- Causing a student to fear having his/her property damaged
- Trying to make others afraid at school

### **Focus on Technology**

Proficient use of technology is one of five District goals set by the Board. Students in Oregon are to **Use technology to learn, live, and work.** In a recent survey we found that our k-3 students are keyboarding and learning programs to do projects. They have learned Word and PowerPoint as well as using web-based programs for learning skills. At all levels students are using their technology skills daily and over the last three years teachers report that students are using technology more frequently.

### **Pee Wee Sign Ups**

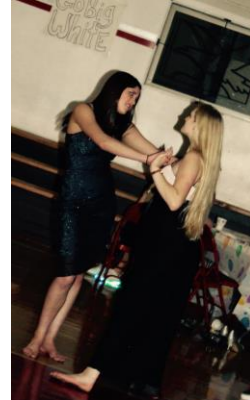

Forms will be sent home and are due March 9<sup>th</sup> in the office.

## Basketball Season Awards

The grade school and high school basketball seasons have come to an end. The grade school team was fun to watch with a fast style of play and much-improved passing. They finished the season at the Dayville tournament with a win over Dayville and a close loss to a much larger Long Creek team. The high school teams showed great improvement on the defensive side of the ball, but had a hard time finding the basket on the offensive end in a very tough Big Sky League. The girls' team was awarded the sportsmanship trophy at the Horizon Christian tournament. The Big Sky sportsmanship banner was awarded to our boys' team. This was a result of voting from the coaches and officials from the league.

**Winter Dance**
