### **Missoula Children's Theatre...**

The Missoula Children's Theater will be in Spray the week of October 24<sup>th</sup>. Through grants, Spray Community School was able to secure the theater company again. After five days of rehearsals our students will be performing, "The Princess & the Pea". The performance is scheduled for 7pm on October 29<sup>th</sup>. There is a dress rehearsal Sat. morning. This is a community event.

### **Bullying...**

Spray School has no tolerance for bullying. Bullying is unwanted, aggressive behavior among school-aged children that involves a real or perceived power imbalance. The behavior is repeated, or has the potential to be repeated, over time. All reports of any bullying type behavior are investigated. Students may not report to someone at school. This often means that it will be a parent they talk to. When you hear that your child has been bullied, please contact me. We pay attention to our students' behavior and talk with individual students and the class about being and feeling safe. We are committed to our students' safety.

### **Homecoming**

Spirit Week will be held the 17<sup>th</sup> through the 21<sup>st</sup>. The high school student leadership group will be planning events for the week. The Homecoming Dance will be held in

The Eagle-Loggers have a large number of volleyball players out this season. Both football and volleyball have yet to win a conference game but as with all young teams there is improvement. Grade school has been playing flag football and volleyball and have won a number of contests. Come out and root for the teams.

### **Smarter Balanced Test**

Students in grades 3-8 and 11<sup>th</sup> take the Smarter Balanced test. The results give students and parents a clear idea of being on track to meet standards and to be college and career ready. We will share the reports at conferences in November conferences. The Smarter Balanced test is one means that seniors can demonstrate they have met the essential skills of reading, writing and math. Oregon House Bill 2655 permits parents to annually opt-out of Oregon's statewide summative tests in English Language Arts and Math by submitting the "opt-out" form to the school. The school provides any student who is exempted from a state test with supervised study time while other students are testing. The opt out form is on our website or in the office.
